

# SCHOOL'S OUT, NOW WHAT?

## Continue your commitment to Food For Thought with the Food Bank of the Rockies Volunteers in Partnership Program

### PURPOSE

In recognition of their long-term partnership with member agencies, Food Bank of the Rockies (FBR) has instituted Volunteers in Partnership (VIP). This program allows individuals affiliated with an approved FBR Member Agency, such as Food For Thought Denver, an opportunity to support the Food Bank's mission of feeding the hungry, as well as help expand his/her agencies' food budget.

### HOW IT WORKS

For every three hours of volunteer time (donated in increments of three or more hours) a volunteer completes, his/her designated agency will receive a 20-pound food credit, automatically applied to the next month's statement for the agency. Credits run from the 26th of the month to the 25th of the next month and will appear on the first business day of the following month.

### GETTING STARTED

To earn VIP credit for Food For Thought Denver, have every volunteer fill out our online volunteer request form at [foodbankrockies.org](http://foodbankrockies.org). Schedule your shift and when you arrive on the day of your shift, please notify FBR staff that you'll be working for VIP credit for Food For Thought Denver, Agency #2035. Please note that ALL volunteer time MUST be scheduled. VIP and general volunteer guidelines will be explained prior to the scheduled volunteer shift. Court ordered volunteers are not allowed to receive VIP credit.

### OTHER THINGS YOU SHOULD KNOW

Please be on time for your shift. Remember that the 20-pound credit can be earned for your designated agency only by completing a full three-hour shift.

The poundage credit earned for the agency can be redeemed only by the agency. The credit will appear on the agency's billing statement the following month.

The credit will be automatically deducted from the following month's total agency bill. The VIP credit will be limited to a maximum value of 2000 pounds per agency per month. Ex. 20 lb food credit will be calculated at the current ASF (20 lbs x ASF = \$total)

The VIP credit has no value other than credit on FBR orders for designated agencies. Credit must be used within three months and cannot be transferred to other agencies.

*Proviso: FBR management reserves the right to review, amend or terminate this program at its discretion.*
